

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

THE GOSPEL ACCORDING TO

ST. JOHN.

CHAP. I.

1. In the beginning was the Word, and the Word was with God, and the Word was God.
 2. He was with God in the beginning.
 3. Through Him all things came into being, and without Him nothing came into being.
 4. In Him was life, and the life was the light of men.
 5. The light shines in the darkness, and the darkness has not understood it.
 6. There came a man in the world, who gave testimony of the light, that all men might believe through him.
 7. But the man whom the law and the prophets testified of, that he was the Christ, the Son of God, who was to come into the world.
 8. He came to his own, and his own did not receive him.
 9. But to all who received him, he gave the right to become children of God, to those who believe in his name, who came into the world.
 10. The Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 11. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 12. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 13. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 14. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 15. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 16. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 17. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.
 18. And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Father, who sent him.

THE

ACTS OF THE APOSTLES.

CHAP. I.

1. In the first chapter of the Acts of the Apostles, we are introduced to the early Christian community in Jerusalem. The text describes the period following the resurrection and ascension of Jesus Christ, as the apostles gathered in the upper room to wait for the promised Holy Spirit. The chapter begins with the apostles' prayer for the Spirit's coming, followed by the Pentecost event where the Spirit descended upon them, enabling them to speak in tongues. This is followed by Peter's powerful sermon at Pentecost, which led to the conversion of about three thousand people. The chapter concludes with the appointment of Matthias to replace Judas Iscariot as one of the twelve apostles.

CHAP. II.

Handwritten musical notation on a single staff, featuring various notes, rests, and bar lines. The notation is dense and appears to be a single melodic line. The notes are written in a style characteristic of early 20th-century manuscript notation, with some notes having stems and others being beamed together. The staff is a single horizontal line with a vertical line on the left side, indicating the beginning of the piece. The notation is written in black ink on a light-colored background.

The Revelation
OF
ST. JOHN THE DIVINE.

CHAP. I.

I am Alpha and Omega, the first and the last,
 the beginning and the end. Blessed are they that do
 his commandments, that they may have the right to the
 tree of life, and may enter in by the gates into the
 city. Without are the dogs, and the filthy, and
 the whore, and the idolaters, and every one that loveth
 and doeth a lie. I Jesus have sent my angel to
 testify of these things unto you. I am the root and
 the descendant of David, the bright morning star.
 The Spirit and the bride say, Come. And he that
 heareth, let him say, Come. And he that is athirst,
 let him come. Whosoever will, let him take the
 water of life freely. I am Alpha and Omega, the
 first and the last, the beginning and the end.
